

**March 16 | 12:30-2:00 pm**  
**Church Center for the United Nations**  
**777 1st Ave, Second floor, New York**

## Women Using **Technology** to Advance **Agency, Advocacy, Capacity, & Peace**

Employing everything from digital media storytelling to WhatsApp groups, radio broadcasting, and online virtual conferences, women are creatively using media and innovation to confront structural inequality and instead build movements which strengthen our social fabric.

Our panel will facilitate cross-learning among organizations engaged in creatively leveraging a variety of technologies to advance advocacy, capacity, peace.
