**MEDIATORS BEYOND BORDERS INTERNATIONAL
UNITED NATIONS MULTILATERAL WORKING GROUP PRESENTS:**

CLIMATE CHANGE AND WOMEN, PEACE AND SECURITY

**Movie Screening & Panel Discussion
FOR CSW64 DELEGATES AND PERMANENT MISSION OFFICIALS**

Join our specialized panel of mediators to learn why mediation and conflict resolution processes are vital tools in a world where conflict due to climate change will continue to escalate. We will host a special screening of the short film "Dulce", followed by a facilitated panel discussion on the impact of climate change and other environmental issues on women and children's peace and security.

Registration required. For more information,
